Postponement of Starting Date

If the course is not commenced, or the student fails to attend by the start date set forth in the agreement, the student will be entitled to an appropriate refund of prepaid tuition and fees within 30 days of the deadline of the new start date set forth in the agreement, determined in accordance with ASDA's refund policy and all applicable laws and rules concerning the Private Occupational Act of 1981.

Refund Policy

Students not accepted to ASDA are entitled to all monies paid. Students who cancel this contract by notifying the school within three (3) business days, and before the commencement of classes, are entitled to a full refund of all tuition and fees paid. In the case of students withdrawing after commencement of classes, the school will retain the registration fee, the cancellation charge, and a percentage of tuition and fees, which is based on the percentage of contact hours attended in the Program/Stand Alone Course, as described in the refund schedule below. The refund is based on the official date of termination or withdrawal.

After 10% but within first 25% of program	75% less cancellation charge

 - c. Should a student fail to return from an excused leave of absence, the effective date of termination for a student on an extended leave of absence or a leave of absence is the earlier of the date the school determines the student is not returning or the day following the expected return date.
3. The student will receive a full refund of tuition & fees paid if the school discontinues a course/program within a period of time a student could have reasonably completed it, except that this provision shall not apply in the event the school ceases operation.
4. The policy for granting credit for previous training shall not impact the refund policy.
